"Cool, I just remembered I had
a piece of paper that had my mom's credit

exclaimed Polar. I think it's in my house.

"Let go find it," said Jack, Oo Oo
and Stripes. So they went to Polar's
house.

"This place is a mess!" said
Stripes. "We'll never find the piece
of paper."

"Just look ^{oo}" exclaimed Polar. After
an hour of looking around all they found was
a twenty dollar bill.

"Maybe we could use the twenty
dollar bill to pay," suggested Jack.

Polar disagreed. "No, then we'd a ten

"Oh, yeah," said Jack. Jack.

Then they gave up and went to bed.

The next day they went swimming. "Take your shoes off," Stripes said to Polar.

Polar answered, "These are my fancy shoes, so forget it." Then Stripes, Ooo, Ooo and Jack came after Polar. They took his shoes off and found a piece of paper.

"Hey, is that the piece of paper you were talking about?" Polar

Polar took the paper, read it and said, "Yes!" They were going to the north pole now!

They ordered four tickets. They arrived the next day. They packed, and went to the airport and got on a plane. During the time on the plane they ate food and got stomach aches. Once they got there, Polar's mom greeted Polar by hugging and kissing him.

"Ha ha," laughed Ooo Ooo, Jack and Stripes.
